

FOR IMMEDIATE RELEASE**Key Capital Increases Offer to US\$380,000 and NSR to Purchase Three Mexican Resource Properties from Arco Resources Corp**

PHOENIX, ARIZONA, 17 June 2013 – **KEY CAPITAL CORPORATION (OTC Pink: KCPC)** is pleased to advise that the Company last week increased the Offer made to Arco Resources Corp (TSX-V: ARR) ("Arco") on 31 May 2013 to purchase three exploration properties in Oaxaca Mexico by a further US\$30,000 cash.

Arco had previously announced a sale of these properties on 27 May 2013 for US\$100,000 subject to TSX Venture Exchange approval following which Key Capital Corporation forwarded a substantially improved Offer to Arco on 31 May 2013 of a total US\$350,000.

Key Capital has now increased its Purchase Offer consideration to Arco to US\$380,000 plus a 0.5% NSR payable by:

- \$50,000 non-refundable cash payment on 19 July 2013.
- \$50,000 cash payment on 19 August 2013.
- \$30,000 cash payment on 30 September 2013.
- \$30,000 cash payment on 31 October 2013.
- \$85,000 cash within 7 days from the date that any mining activity on any or all of the sale properties reaches a total one million ounces of silver equivalent production.
- \$135,000 payable by the issue of 180,000 fully paid Ordinary shares in Key Capital Corporation. These shares will be issued on or before 7 October 2013 and will be subject to an 18 month hold from the date of issue.
- A 0.5% NSR interest in the future production of the sold properties.

Key Capital also undertakes to maintain the sale properties in good standing until the final installment of the cash payments has been paid by Key Capital on 30 October 2013.

Details of the properties subject to the Offer to Arco are as follows:

Tres Hermanas

The Tres Hermanas consists of three separate mining claims and covers a silver-lead-zinc-bearing vein system that has historic underground workings on five levels along a 400-meter strike. Previous underground sampling showed local values >500 grams per ton (g/t) of silver. In addition, chip samples taken included values as high as 764.5 g/t of silver and 10.4% lead across 1.5 meters.

La Luna

The La Luna property is immediately adjacent to the Tres Hermanas claim and offers a number of high value exploration targets. The combined land package of Tres Hermanas and La Luna is greater than 24,000 hectares.

Predilecta

The Predilecta Property consists of three separate mining claims comprising a total of 3181 hectares, located 68 kilometers south-southeast of Oaxaca City. The property contains multiple mesothermal gold-bearing quartz veins. This property has historic workings and is close to infrastructure and transportation. Previous underground sampling indicated 143 g/t Au over 0.45m. Underground sampling averaged 19.26 g/t Au along 95m with an average width of 0.57m.

Key Capital intends to partner the proposed acquisition with operational and financing interests with which the Company is already in discussion. These operational interests will be responsible for the ongoing planned exploration and development of the properties should the Key Capital Offer proceed. Subject to the ultimate feasibility of mining

operations Key Capital will arrange all project financing in exchange for an ongoing streaming interest as well as retaining a residual equity in the project.

ABOUT KEY CAPITAL: Key Capital is a resource funding business that provisions institutional project financing for mining operations through streaming or equity agreements. The Company is a Georgia corporation headquartered in Phoenix, Arizona.
